

Virtual Conversations on History, Art, and Cultural Heritage: From Kyivan Rus' to Modern Ukraine

Ukraine's history, art, and culture are endangered by the ongoing war. This lecture and conversation series by experts in the fields of history, art history, archaeology, heritage, sociology, as well as museums and conservation, among others, presents the region's rich historical and cultural complexity through its objects, sites, and monuments. A focus on the medieval and early modern periods featuring Greek, Latin, and Slavic contacts, brings to the fore critical evidence to counter modern misrepresentations of Ukraine's history and cultural heritage.
